-  step-forward (../icon/step-forward)
-  stop (../icon/stop)
-  youtube-play (../icon/youtube-play)

## Brand Icons

### Warning!

Apparently, Adblock Plus can remove Font Awesome brand icons with their "Remove Social Media Buttons" setting. We will not use hacks to force them to display. Please **report an issue with Adblock Plus** (<https://adblockplus.org/en/bugs>) if you believe this to be an error. To work around this, you'll need to modify the social icon class names.
